

MORE THAN A MOVIE

WAYNA PITCH

We would like to meet directors, producers and distributors to set up new ways to release and promote feature films internationally.

We stand up for innovative and diversified cinema, open to young people. The artists are placed in the core of the communication process. Creativity above all!

We work with the production team before shooting in order to create promotional and engaging content that is synchronized across different territories.

"BELIEVE IN YOUR DREAMS"

DOCUMENTARY - FRANCE - 2024 - 80 MIN - FRENCH / ENGLISH

DIRECTED BY : Paul GOURDON, Théophile MOREAU,
Julie MARCHAL, Agathe ROUSSEL

PRODUCED BY : DREAMLAND JEUNESSE

SYNOPSIS :

How to convince young people to keep their dreams and make it happen? To answer this question, we are going to travel to meet the youth all over the world. They are going to talk about them, about their experiences, about what made them who they are today, but also and above all, about their dreams, their future and that of their country. Yes, it is still possible to dream and most of the time, the dreamers become the builders of the world of tomorrow.
